

**IN THE UNITED STATES BANKRUPTCY COURT
FOR THE EASTERN DISTRICT OF TEXAS
SHERMAN DIVISION**

IN RE:

INTERPHASE CORPORATION

Debtor

Case No. 15-41732

Chapter 7

**MOTION TO APPROVE SALE OF ASSETS THROUGH AUCTION
FREE AND CLEAR OF LIENS, CLAIMS AND ENCUMBRANCES**

NO HEARING WILL BE CONDUCTED ON THIS MOTION UNLESS A WRITTEN OBJECTION IS FILED WITH THE CLERK OF THE UNITED STATES BANKRUPTCY COURT AND SERVED UPON THE PARTY FILING THIS PLEADING WITHIN TWENTY-ONE (21) DAYS FROM DATE OF SERVICE UNLESS THE COURT SHORTENS OR EXTENDS THE TIME FOR FILING SUCH OBJECTION. IF NO OBJECTION IS TIMELY SERVED AND FILED, THIS PLEADING SHALL BE DEEMED TO BE UNOPPOSED, AND THE COURT MAY ENTER AN ORDER GRANTING THE RELIEF SOUGHT. IF AN OBJECTION IS FILED AND SERVED IN A TIMELY MANNER, THE COURT WILL THEREAFTER SET A HEARING. IF YOU FAIL TO APPEAR AT THE HEARING, YOUR OBJECTION MAY BE STRICKEN. THE COURT RESERVES THE RIGHT TO SET A HEARING ON ANY MATTER.

COMES NOW Mark A. Weisbart, the Chapter 7 Trustee (“Trustee”) in the above-numbered bankruptcy case, and pursuant to Sections 363(b), (f) and (h) of the Bankruptcy Code, files this his Motion To Approve Sale of Assets Through Auction Free and Clear of Liens, Claims and Encumbrances, and in support thereof would show the Court as follows:

FACTUAL BACKGROUND

1. On September 30, 2015, a voluntary petition under Chapter 7 of the Bankruptcy Code was filed by Interphase Corporation (the “Debtor”) for relief under Chapter 7 of Title 11 of the United States Code (the “Bankruptcy Code”). Trustee is the interim Chapter 7 Trustee.

2. The Debtor operated as an information and communications technology company providing embedded computing solutions, engineering design services, and contract manufacturing services in North America, the Pacific Rim and Europe. The primary customers of the Debtor were telecom equipment and service manufacturers including Nokia Siemens Networks (“Nokia”), Hewlett Packard, Samsung and Sanmina. The Debtor also developed and manufactured a product known as “penveu”, a handheld device which added interactive display capability to flat screen

surfaces, primarily used in education markets.

3. The Debtor operated at an office warehouse located at 4240 International Parkway, Suite 105, Carrollton, TX 75007 (the “Premises”). The Premises were leased by the Debtor under a commercial lease with International Tech Center Dallas, LLC. Upon information and belief, the Debtor was current on its lease payments as of the Petition Date.

4. Prior to bankruptcy, Debtor sold its manufacturing equipment, associated customer lists and related assets which serviced its general telecom business and contract manufacturing to VirTex Enterprises, LP. The Debtor also sold to Nokia Solutions and Networks Oy its assets related to manufacturing work done on Nokia’s behalf. The Debtor still retains the *penvue* related assets.

5. The principal remaining tangible assets located at the Premises consist of furniture, fixtures, miscellaneous testing equipment, some computers, general inventory, *penvue* products and related inventory, office supplies and related assets (the “Tangible Assets”). The Trustee proposes to sell all of the Tangible Assets (not subject to existing leases) through an auction sale to be conducted by Shattuck, LLC (“Shattuck”) at the Premises. By separate application, Trustee is seeking to employ Shattuck as his auctioneer.

RELIEF REQUESTED

6. Pursuant to 11 U.S.C. § 363, the Trustee requests authority to conduct an online auction to sell the Tangible Assets (the “Auction”) as soon as possible. The Trustee proposes to promote the sale by means of email, direct mail, and other advertisements. The Auction will run for ten (10) days and all items will be sold to the highest bidder(s). Shattuck will staff a preview of the Tangible Assets for prospective bidders to examine the items.

7. Trustee believes that a sale of the Tangible Assets through the Auction is the most effective way to maximize the value of the Tangible Assets for the benefit of the estate’s creditors

and for the Trustee to carry out his duties under bankruptcy law. As Trustee's proposed auctioneer, Shattuck will prepare, market and conduct the auction. An auction inventory has not yet been completed but Shattuck estimates the sale will generate proceeds of approximately \$150,000.00 to \$200,000.00¹.

8. The relief requested herein is necessary to preserve and maximize the value of the bankruptcy estate.

9. To the extent any liens or claims exist against the Tangible Assets, Trustee requests that the sale of the Tangible Assets be made free and clear of such liens and claims, with such liens, claims and encumbrances attaching to the net proceeds from the sale pursuant to 11 U.S.C. § 363(f).

10. Trustee is not aware of any liens against the Tangible Assets with the possible exception of personal property ad valorem taxes.

11. Trustee anticipates the expenditure of costs associated with the storage, maintenance and security of the assets and reserves the right to assess those costs against the sales proceeds.

12. Trustee also anticipates moving costs incurred by his proposed auctioneer to remove items, primarily business records, from the Premises.

13. Trustee further requests authority to execute any and all appropriate and necessary documents for consummating the sale.

PRAYER

WHEREFORE, Trustee prays that the Court approve the sale of the Tangible Assets free and clear of interests, liens, claims and encumbrances with same attaching to the net proceeds of sale, authorize him to execute any and all appropriate documents consummating the sale, and granting him such other and further relief to which he may be justly entitled.

¹ Debtor's Schedules identify Tangible Assets as having a value of \$486,468.09. Trustee believes this Schedule reflects value as booked by the Debtor which may not reflect current liquidation.

Respectfully Submitted,

/s/ Mark A. Weisbart
